Professional membership in NASE Worldwide is granted at the sole discretion of NASE Worldwide.
- 2 I understand that, as a professional member of NASE Worldwide, no agency, agent relationship is created between NASE Worldwide and me by this agreement. Except as provided in this agreement, NASE Worldwide has no involvement with and will exercise no control over my day-to-day operations.
- 3 When conducting NASE Worldwide programs I will adhere to all NASE Worldwide standards required by that program as set forth in NASE Worldwide *Standards and Procedures*, and all other updates and/or revisions provided to me by NASE Worldwide.
- 4 *By signing this agreement, I affirm that I am familiar with NASE Worldwide standards, including all standards updates issued in the past year, and that I will continue to read and abide by all standards updates issued in the coming year.*
- 5 I understand that I am required to use NASE-sanctioned training materials when teaching any NASE course for which such materials are available. If no such materials exist, substitution is permissible with authorization from NASE Worldwide.
- 6 I will only conduct those NASE courses and programs for which I am specifically authorized by NASE Worldwide. Specialities courses, including Distinctive Specialities approved prior to August 1, 2010, require new authorization to teach.
- 7 I understand that NASE leadership training (Divemaster, Assistant Instructor an Instructor training, including ITPs, IEs and any Speciality Instructor training) have new standards which require that I attend a mandatory update prior to conducting such training.
- 8 I am aware that scuba has inherent hazards that may seriously affect a persons life and/or health. I hereby agree to exclude from any NASE Worldwide training program any individual that does not meet all the health, medical, and performance criteria for that level of certification.
- 9 I am aware that NASE Worldwide has a quality assurance program designed to assure that the highest level of instruction is available to those individuals receiving a NASE Worldwide certification. Quality Assurance complaints will be reviewed and investigated by the NASE Worldwide Quality Assurance Board. I understand that I will be provided an opportunity to refute any such complaints. Adverse rulings by the Board affecting my permission to teach NASE Worldwide courses or represent myself as a NASE Worldwide member are final. I further understand that the names of expelled, suspended, or censured NASE Worldwide Professional members will be made available to the NASE Worldwide professional membership at large, and may be reported to other dive training agencies.
- 10 I understand that false Quality Assurance reports submitted by me against other NASE Worldwide members, for financial, competitive, political, or other gain will constitute grounds for the Quality Assurance Board to take action against me.
- 11 I understand that permission to train scuba students using NASE Worldwide materials and programs is granted solely by NASE Worldwide. This permission is conditional upon, but not limited to, my obtaining professional liability insurance for scuba training, recognized as being adequate by current recreational scuba industry standards. If this insurance is obtained through another facility other than NASE Worldwide, I will list NASE Worldwide as a co-insured, and provide NASE Worldwide with a photocopy of the letter of insurance. This insurance will be maintained as long as I am in current teaching status. I further agree that if I voluntarily or otherwise cease being insured I will voluntarily cease teaching all NASE Worldwide training programs until such time that I am again insured.
- 12 I am aware that scuba diving, and scuba diving training is a strenuous activity, and that circumstances beyond my control may require a greater than normal level of effort to assure my own personal safety and the safety of those under my supervision. I understand that it is my responsibility to maintain a level of physical conditioning to safely conduct supervisory diving. I further understand that if my personal health and/or physical conditioning deteriorate so that I cannot safely conduct the activities of diving and supervision, I will voluntarily cease my instructional and supervisory activities until I am again capable of doing so. If required I will seek clearance by a diving medical examination performed by a licensed physician.

- 14 In accordance with NASE Worldwide Standards as set forth in NASE Worldwide *Standards and Procedures*, I will report any diving-related accident or incident of which I am aware, that may have harmed, or potentially harmed, me or another individual.
